

CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

**Yamatake Corporation
Advanced Automation Company
Chiyoda-ku, Tokyo
Japan**

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standards:

ISO 9001:2008, JIS Q 9001:2008

The Quality Management System is applicable to:

**Development, design, manufacture, sales and field
engineering services of control instruments, field instruments,
control valves, application systems with associated software
for the industrial and public utilities markets.**

This certificate is valid only in association with the certificate schedule bearing the same
number on which the locations applicable to this approval are listed.

Approval
Certificate No: YKA 0910283

Original Approval: 1 October 1991

Current Certificate: 1 October 2009

Certificate Expiry: 30 September 2012

Issued by: Lloyd's Register Quality Assurance Limited

001

This document is subject to the provision on the reverse

71 Fenchurch Street, London EC3M 4BS United Kingdom. Registration number 1879370

This approval is carried out in accordance with the LRQA assessment and certification procedures and monitored by LRQA.

The use of the UKAS Accreditation Mark indicates Accreditation in respect of those activities covered by the Accreditation Certificate Number 001
