Quotation No. Q20090377 Rev1

To whom it may concern;

DECLARATION OF EQUIVALENCY

This is to certify that the current valves in our proposal Quotation No. Q20090377 Rev.1 are equivalent in process with your existing / enquired valves. However the size of actuator as well as the pressure needed to operate might be different. Please refer to the valve specification data sheets for details.

All control valves proposed this time are manufactured by Yamatake Corporation.

Sincerely yours,

Isao Miyazaki
