

**Field Mounted P/I Converter KUX series
(None explosion proof type)**

Issued : Jun. 1, 2002	Page : 10-1-5
Effective : Jul. 1, 2003	UNIT : 1000YEN

KUX60G - I II III IV - Otion1 - Option2

Basic Model					Basic price (1,000yen)
	Product type	None explosion proof type	KUX60G		155
					Add. Price (1,000yen)
Option					
I	Enclosure	General type Electrical conduit G1/2 With frame proof packing	G		0
II	Span	20 ~ 100 kPa	A		0
		*1 0.2 ~ 1 kgf/cm ²	B		0
		0.2 ~ 1 bar	C		0
		*1 3 ~ 15 psi	D		0
		19.6 ~ 98.1 kPa	E		0
III	Element Diaphragm Filled liquid	SUS316L/ SUS316/ Silicon	B1		0
IV	Connection	Rc 1/4 female	C2		0
		1/4NPT female	N2		0
Option 1					
	No option			X	0
	Corrosion proof with baked epoxy resin			B	10
Option2					
*1	No option			X	0
	Test report *3			1	2
	Traceability certificate			6	10
	None-SI Unit			F	0
	With an elbow for air tubing(Material SUS304)			V	4
	Mounting Blaket for 2 in Pipe /Panel Monut *2			H	15

- *1 Select "F" by option 2 when you select the unit of non-SI Unit(Code B and D of the span).
Please note that it is not allowed sale non Si unit based product to a domestic user.
- *2 Please note that the Mounting bracket for two-inch pipe/panel are the options.
The mounting bracket are handled as a resale parts. (part number: 80370404-001)
- *3 Test report : Additional tast report will be sent to the sales personnel when selected.
(One copy of test report is attached on the product when ornered.)
