2. Models

Integral style: MTG18A

Remote style detector: MTG18B

Remote style converter: MTG14C

TIIS explosion-proof model: MTG15A

3. Ordering start

Effective immediately

4. Documents

Price list: refer to the attached sheet

Product specification sheet: SS2-MTG300-0100 (Model MTG18A/B, MTG14C)
SS2-MTG300-0300 (Model MTG15A)

Users manual: CM2-MTG300-2001 (Model MTG18, MTG14C)
CM2-MTG400-2001 (Model MTG15A)

Highlights of the new model MTG: refer to the attached presentation slides

5. Order for the current model

As announced by the advance information “PMB-MG-A-10-21” published in April 2010, the conventional model was withdrawn from sales on May 31, 2010.

Since the new model MTG is fully compatible with the conventional model MTG, order the new model MTG.

6. Model codes

MTG18A-□□□P□□□□□□□□J E/D/T□-□□-Option

MTG14C-E/D/T□□-Option

MTG18B-□□□P□□□□□□□□J□-Option

MTG15A-□□□P□□□□□□□□J-□□ -Option

Calibration code of MTG18A, MTG18B, and MTG15A will be “J”.
