Pressure Transmitter AT9000, GTX series

Dear Mr. Uchida,

We would like to confirm that the type approval of the AT 9000, Model GTX pressure transmitter is completed. The product is suitable for safety related applications up to SIL 2 according to IEC 61508 and IEC 61511.

Certificate and test report are under preparation.

Yours sincerely

TÜV SÜD Rail GmbH
Automation, Software and Electronics – IQSE
