Withdrawal & Replacement

Title: Withdrawal of ST3000 Series900 Pressure Transmitter

1. Overview

ST3000 Series 900 will be withdrawn from sale in June 2010.

We've already released AT9000 as replacement model of ST3000, and which covers the specification of ST3000 except FOUNDATION Fieldbus model.

Please quote the AT9000 instead of ST3000 as far as possible from now on.

As for FOUNDATION Fieldbus model of ST3000, you can still quote and we will withdraw after that model of AT9000 will have been launched in April 2011.
