

Discontinuation of **FL2-4T7R/FL2-4T7R-F** Proximity Sensors

Oct. 17, 2012

1 Overview

The **FL2-4T7R/FL2-4T7R-F** Proximity Sensors will be discontinued on December 28, 2012.

2 Background

The **FL2-4T7R/FL2-4T7R-F** are specific models for Toshiba Machine Co., Ltd. used in extruder application. Although they are specific models, we are supplying them to general customers overseas as spare parts.

Since their major parts are recently discontinued by the supplier, we decided to discontinue the **FL2-4T7R/FL2-4T7R-F**.
