

Business activity report Regis Houllier France June 2012

Contact ARCADIS ESG

9, Avenue Réaumur
92354 Le Plessis Robinson

Mr AMAYER has urgent need of mechanical flowmeter for air and for pump calibration
20l/mn flow is requested and lower. Need better accuracy than mechanical flowmeter; So finally offer mass flowmeter.

Contact Thuilier

4 Rue des papetiers
38300 BOURGOIN-JALLIEU

Mr Rabilloud is looking for Electromagnetic flowmeter for 10m³/h water with indicator ; also 2 float meter Minix for 530l/h and Tubux with 10m³/h. This is for school. He finds us via Internet

Rousset Parc Club, 118 Avenue Francis Perrin,
13106 Rousset Cedex, France

Mr Toulaigo is looking for a counter of calories for cool liquid as well as ultra-sonic sensor for DN200 non-intrusive application.
Decline

Contact Getinge Lancer

30 Boulevard de l'Industrie - ZI de Pahin
31170 Tournefeuille - France

Mr Duprat Jean-Michel is looking for replacement of mechanical flowmeter.
I suggest to use F5 as the flow is quite low: 1l/mn but we need to check if fluid will be OK or not first. Finally make offer with F5 and some restriction: A2012RH223

Contact ENSCCF

24 Avenue des Landais - BP 187
63174 Aubière Cedex

Mr Alexis JEAN is looking for Mechanical flowmeter with valve, 1/4" NPT connection in polypropylene, Tube in borosilicate, length 75 mm - float in SS, Pmaxi : 16 bar - Tmaxi : 80°C - accuracy 4% (Qg=50 %) flow: 1.6 to 16 L/H (20°C, 1 bars abs).
I have offered Minix with Pressure and temp limitation.
Make offer A2012RH220

Contact Impulsys

Tuyauterie industrielle & de process
13590 Meyreuil

Mr Eric COULOMB is looking for 4 flowmeter for CO₂ at 107Nm³/h and 14Nm³/h pressure 5 bars
Make offer A2012RH219

Contact BONNABAUD.systèmes

101 Rue Delaunay
F-42153 Riorges

Mr Jordan PEDRINI is looking for Troglux flowmeter C315 and G1/2
Make offer A2012RH221

Contact Vallourec

54 Rue Anatole France
59620 Aulnoye-Aymeries

Mr Emery is looking for replacement of gear flowmeter for demineralized water at 1µs for very low flow <10l/h. I offered F5 with M1
